Schallert reported that the red flag placed on the Fork Shop Bridge has been removed and the bridge has been reopened. He also submitted specifications for a new Mack dump truck for the Boards consideration. Before leaving he encouraged the Board to consider adding Health Insurance to the Highway Superintendent package and raising the salary before the next election. He felt this would attract more qualified candidates to run for the position.

The Town Board worked on the 2016 Town Budget until 7:00PM.

It was the consensus of the Board to schedule an additional workshop for October 21st at 5:00PM.

Meeting ended at 7:05PM

The next regular meeting will be at the Town Building in Fly Creek, on October 14th at 7:00PM.

Respectfully Submitted,
Pamela Deane/Town Clerk
